Photo: Trailhead Community Residents at construction site of their future home

Trailhead Community has partnered with First Western Trust Bank and Colorado Housing Finance Authority (CHFA) to fund the construction of the \$20,690,000 building.

As exciting as it is that our "infrastructure" loan closed, permits are in place and construction has begun, **we are still actively fundraising!!!**

### Future Trailhead Community Residents need your help now more than ever!

This event is Trailhead Community's BIGGEST fundraiser of the year. The money raised at this event will be used to furnish the inside of the building. That includes the commercial kitchen equipment, sport court finishes, common area furniture, technology/security features, fixtures, furnishings, equipment, and more!

By purchasing tickets, signing up to sponsor the event and/or attending the event, you are helping the future residents furnish their new home!

Please join us for an evening of fun, games, laughter and making a difference in the lives of adults with intellectual and developmental disabilities!
